

A Message from your Congressman

Dear 4th District Constituents:

As we begin a new session of Congress, I would like to welcome all of my new constituents to the 4th Congressional District. As you may know, Maryland recently went through the redistricting process by redrawing the state's electoral boundaries. Within the 4th District, I have gained many new constituents from northern Montgomery County.

Our office has made several changes to better serve you. We have relocated our downtown Silver Spring office to Olney. We have also made changes in Prince George's County, consolidating into one central office in Largo. Our Capitol Hill office remains the same. Updated address and contact information can be found on our web site, www.wynn.house.gov and within this mailer.

I look forward to representing and working with you on a variety of issues in the 108th Congress. If you have any questions or concerns, please do not hesitate to contact one of my offices.

Sincerely,

Albert R. Wynn
